## Musqueam Ladies' Golf Club

### **Come and join us for 2011**

We are a group of women ranging from thirty-five to ninety-five who have just celebrated our 40th year of our golf club..

We play here, at this greatly improved course of Musqueam Golf and Learning Academy. (MGLA)

**On Tuesdays we play organized games** between April 1<sup>st</sup> and October 31<sup>st</sup> with designated tee- off times between 8 and 10.30 am. We play 18 holes and some of our long - playing members enjoy just nine holes and are called "Nifty Niners"

We belong to the Canadian Ladies' Golf Association (B.C), who control the handicaps and rules. We enjoy their competitions as well as our own tournaments with prizes with trophies, but most of all...we have lots of fun! Our golfers range from beginners to great players so you will fit right in. WE usually have lunch after our game and some play Bridge then too.

The season starts with a Lunch at the end of March, at the Royal Vancouver yacht Club, when we gather to plan for the coming season. We close in the Fall with a Lunch at Point Grey Golf Club, when the prizes for the year are awarded.

**The Season's Pass** charged for Musqueam Golf and Learning Academy( paid at the desk), entitles you to play golf any week day, at any time of day, between April 1<sup>st</sup> and October 31<sup>st</sup> . **This is needed to join our Ladies' Club.**

We charge a **Social Fee** of \$110 for the year which covers the two lunches (off course), the BCLGA membership fees, the running of the club, and all the prizes during the year. This is due as soon as you apply, and shows your intention to join, and so we can include you in our booklet. You can join straight away as we do not have a waiting list at this time nor do we charge any entrance fee.

Winter: from November 1<sup>st</sup> to March 31<sup>st</sup> many keep in touch on Tuesday's at the Arbutus Village Recreation Centre to play **Contract Bridge**. Some past playing members join us then and are called Social Members. This is a great way to keep in touch with the friends you have made playing golf. Again, the levels are from "kitchen" bridge right through to ....!! No competitions. Just fun.

Some hardy members purchase a Winter Pass, or an All Year Pass, and will play all year round. So there are always friends out there to play with.

**Come and join us.** Fill in the attached form and leave it in our box behind the main desk. The staff will show you where.
